In consideration of being allowed to participate in the activities and programmes of Civilian Military Fitness and to use the facilities and equipment owned and/or under the control of Civilian Military Fitness, in addition to the payment of any fee or charge, I do hereby waive, release and forever discharge Civilian Military Fitness from any and all responsibility or liability for injuries or damages resulting from my participation in any activities or my use of equipment or facilities in the above mentioned activities.

I understand and I am aware that strength, flexibility and aerobic exercise, including the use of equipment, in the outdoors, are potentially hazardous activities. I also understand that exercise and fitness activities involve a risk of injury and even death, and that I am voluntarily participating in these activities and using equipment and facilities with the knowledge of the dangers involved. I hereby agree to expressly assume and accept all and any risks of injury or death.

I am aware that I have the right to request advice from any of the Civilian Military Fitness staff, at any time, in relation to the activities and exercise being undertaken and, but not exclusively, their suitability for me, with particular regard to my health and clothing. If I choose not to take advice, or to disregard any advice so given, I do so voluntarily and accept liability for all resulting injuries or damage.

I do hereby declare myself to be physically sound and suffering from no condition, impairment, disease or infirmity or other illness (other than those declared on the attached medical questionnaire) that would prevent my participation or use of equipment or facilities except as herein stated. I acknowledge that I have either had a physical examination and have been given my doctors permission to participate, or that I have decided to participate in activity and use of equipment and machinery without the approval of my doctor and do hereby assume all responsibility for my participation and activities, and utilisation of equipment and machinery in my activities.
